THE NEXT GENERATION OF GYM FLOOR PROTECTION

Gym Floor Covers USA is ushering in a whole new era of gym floor protection. You no longer have to settle for heavy, ugly, and time consuming vinyl systems. Introducing the GymPro line of floor protection products. Whether you need something quick and easy to put down, or extreme durability, we have you covered. Your gymnasium is an expensive investment. GymPro allows you to utilize the space without the fear of damage. Not only do our covers protect your floor, they also make your gym far better suited for events because they drastically improve the acoustics of your gym.

KEY BENEFITS

GymPro CourtSide Runners help prevent scuff marks from chairs, tables, and shoes. They also help prevent drink spills from coming onto the court and damaging your gym floor (and your players). The top is an attractive carpet surface available in several color options. The waterproof "Pure Performance" rubber backing prevents liquids from penetrating to the gym floor.

CUSTOM LOGOS AVAILABLE

PROTECT YOUR FLOOR!
